Web Developer

Jakarta, Indonesia | Phone: 087872025271 | Email: amaremaliq@gmail.com

SUMMARY

I'm a **Passionate and results-driven Web Developer** with 6 months of experience in web development and 7 months in software development. Experienced in both front-end and back-end development, database design and development. Always eager to learn, innovate, stay updated with the latest technologies and collaborate with teams to create impactful software solutions. I am eager to contribute my expertise to new challenges and projects.

EXPERIENCE

Bosnet Distribution Indonesia – Jakarta, Indonesia

Software Developer (September 2024 – present)

- Successfully upgraded SQL database versions and stored procedures for product systems.
- Fixed over 50+ minor and major bugs in .NET-based systems and SQL.
- Optimized system performance through debugging and query
- Developed, and tested APIs to support front-end CRUD operations, ensuring seamless data management and system efficiency.

PT.Sarana Sistem Mikro – Jakarta, Indonesia
